Business Assessment Application

The Manufacturing Extension Partnership of Mississippi (MEP.ms) is a newly created organization that works to assist Mississippi's Manufacturing organizations. MEP.ms works with partner organizations to provide expertise and services tailored to the most critical needs of area manufacturers, which range from process improvements and worker training to business practices and applications of information technology. MEP.ms partners include the Mississippi Manufacturers Association, several Mississippi Universities and Community Colleges, and private sector service providers.

To see how MEP.ms can help your business, Please fill out this short information form:

Company name: _____

Address: _____

Contact name: _____
